Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- consolidation of student skills in literacy and numeracy to meet or exceed year level benchmark targets in literacy and numeracy
- provide focused and intensive teaching for students to acquire early literacy and evaluate progress to inform teaching, learning and resourcing and to track progress
- meet with support teachers and parents to discuss student progress and share strategies for improvement
