### Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Initiative 1: Track and analyse students' progress in literacy and numeracy using school based (Early Start, Magic 100-500 Words kits, PM Benchmarks / Probe) and systemic data (NAPLAN, headline data). Strengthening of early year's intervention program targeting Prep – Year One in the areas of early
- Initiative 2: Individual support for students in phonics, reading decoding, fluency and comprehension, letter recognition and early writing behaviours.
- Initiative 3 : Students participating in IMPACT Solve IT program through online learning providing capable mathematics students with a process for solving problems as well as a bank of problem-solving strategies to use on demand. Students also develop literacy skills that are needed to interpret questions correctly along with ICT on-line skills.
- Initiative 4 : Build staff and student capability simultaneously through Solve IT and access of Numeracy Squad
