Under this agreement for 2016
Mount Nebo State School will receive $8900*

This funding will be used to

- Ensure all 7 students in Prep reach or exceed the regional year level target at PM11 by the end of 2016.

Our initiatives include

- Providing focused and intensive teaching for the Prep cohort from their classroom teacher whilst a second teacher focuses on other year levels in the class.
- Track Prep students’ progress in literacy and numeracy using school based data around Early Start, Magic 100-500 Words kits and PM Benchmarks.
- Systematically use Jolly Phonics to teach phonics along with decoding strategies and handwriting.
- Using Read It Again Foundation Q to support the development of reading and writing.
- Focusing on development of cross-curricular literacy through First Steps in Maths pedagogy.

Our school will improve student outcomes by

| Providing an additional Literacy/Numeracy teacher for year 1 & 2 students for two hours a week to enable the classroom teacher to provide foundational Literacy/Numeracy skills to Prep students during this time | $8 200 |
| Provide resources to support the development of early literacy in the Prep classroom | $700 |
| **Total** | **$8 900** |
